Dear Patients,

Our office is excited to tell you about a new service we have implemented called Smile Reminder. Smile Reminder is an automated system which will send you texts or emails about pertinent information we want to inform you of. It will send you an email/text of when your glasses or contacts lenses are ready to be picked up. It will also let you know about sales we are running or coupons we will be sending out. Last but not least it will send you appointment reminders when you are due for an exam or just to remind you of one you booked already. Please allow us to better service you by giving us your cell phone number and email address below. We can assure you that this information is used internally by our office only. Thank you.

The staff of Glens Falls Vision Care

If you have a preference of email vs. text let us know

Name: _____ Cell Phone # _____

Email Address _____
